## **Camp Big Cove Fun**

### **What we can do!**

We can meet together, safely outside, early in the morning to beat the heat.

We can Glorify God with our hands, with our hearts and with our lives!

### **How we will gather to stay safe?**

We will all wear masks.

We won't pass an offering plate or communion plates.

When we have communion, it will come in prepackaged containers.

We won't sing out loud, just hum and clap our hands. The band will sing songs a safe distance from you.

We will practice social distancing by sitting at least 6 feet apart.

We will bring our own lawn chairs and our own coffee.

Masks will be handed out to those who forget.

### **What to do in case of Rain?**

Check on the website for info by Saturday night at 8 pm. If inclement weather, tune in to our Facebook page at 11am that same day and watch worship together as we have been.
